CURRENT STATUS OF THE LEPROSY HOME  
AT LEWIS COLONY, BALASORE

CURRENT STATUS OF THE LEPROSY HOME  
AT LEWIS COLONY, BALASORE

**Field visit report of Bampada Leprosy Colony made By CDM & PHO, Balasore & Dist. Emergency Officer, Balasore.**

During our spot visit to Bampada Leprosy Colony following improvements have been observed.

- 1- Total 10 no. of GCI roof houses are under construction and 3 houses have been completed and rest will be completed within a week.(photo attached).

Further we would like to submit before Hon'ble Court that an open tender has been invited for construction of another 10 RCC roof buildings for the inmates of Leprosy colony. The work order shall be issued soon.

- 2- A 2000 litre capacity overhead tank has been provided by the Executive Engineer, RWSS Division for uninterrupted water supply to the 10 toilets which have been made fully functional . In addition to this it is also submitted that, one open bathing space with piped water supply has also been constructed for the use of inmates of the colony. (photo enclosed).

Chief District Medical &  
Public Health Officer  
Balasore

3- We would like to submit before Hon'ble Court that, concrete road has been constructed inside the colony for easy commutation. (photo enclosed).

*Dushan Jindal*  
Chief District Medical &  
Public Health Officer

4-It is submitted that the debris seen inside the premises are construction materials piled up by the contractors which are being utilized for the construction work. Some debris which has been piled up due to demolishing of existing structure are to be used for land filling work once the construction works get over.

5-We would also like to submit before Hon'ble Court that beautification work of the open spaces shall be taken up by B.D.O Remuna once the construction work gets over.
