**ADDL. STANDING COUNSEL**

second interim report, this Court issues the following directions for implementation by the Collectors of Khurda and Puri as well as the CDMOs of the said two districts.

i. The residents of the colonies be immediately provided MCR footwear of Grade-1 & Grade-2, keeping in mind the requirements, within eight weeks. All steps, as may be necessary for furnishing the same should be completed within the said date. It shall also be kept in mind that such footwear is essential not only for persons who continue to be affected by leprosy but even for those are fully cured.

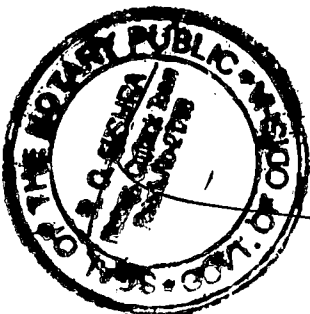

ii. The photographs endorsed with the report show that there is garbage and unwanted debris are lying all over the colonies. There are also open drainage which needs the immediate attention of the Municipal Corporation. Therefore, both the Collectors will ensure that sanitation workers engaged by the municipality are deployed on a regular basis to ensure removal of all the garbage and unwanted debris, and clearing of the open drains, particularly in the current monsoon months.

iii. There appears to be the need for additional toilets in the Bapuji and Dharabati Colonies at Jatni and the Sanjay Colony at Puri. Particularly, in the Sanjay Colony at Puri, the system of dry toilets should be immediately discontinued and replaced with water flush toilets.

iv. In all these colonies the AC have noticed that visits by trained leprosy workers, para-medical workers and

*Pranab Sanjay Dakh*

multipurpose health workers as mandated by the National Leprosy Eradication Programme (NLEP) is sporadic. The Collectors of both districts and the CDMOs will ensure that there are regular visits by these persons to each of the colonies at least once a week. The Court will be informed by the next date of the actual implementation of these directions by production of the registers maintained by the health workers of their visits to the five colonies. These directions should be strictly implemented without any delay.

Para-1 : Nothing to comply

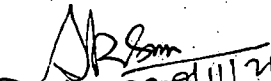

Para-2 : As regards to removal of garbage and unwanted debris and cleaning of open drains it is stated that the garbage and unwanted debris at Sanjayjee Colony has already been removed prior to monsoon season. However as a daily routine work supervisor and pushcarts has been provided in the area and also Swachha Sabari vehicle is going to the area for collection of door to door solid waste. 1 (one) Jamadar and Sanitary Inspector also supervising the work (Photograph enclosed).

Para-3 : In connection with construction of additional public toilets in Sanjayjee Colony, it is stated that the land situated at Sanjayjee Colony belongs to Railway Department. Due to land dispute the construction of Public toilets has not been materialised. However sincere efforts have been taken for a discussion with Railway Authority and PKDA, Puri to sort out the issue.
