

IN THE HIGH COURT OF ORISSA : CUTTACK

WP(C) No.13403 of 2015

Bipin Bihari Pradhan Petitioner

-Versus-

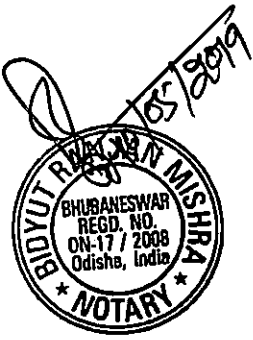

State of Orissa & others Opp. Parties

COUNTER AFFIDAVIT FILED ON BEHALF OF OPPOSITE PARTY NO.1 & 3

I, Dr.Sushil Kumar Kar, aged about 61 years, Son of Sri Gobardhan Kar, Raja Bagicha, Near LIC Colony, District-Balasore, at present working as Director, Health Services, Odisha, Heads of Department, Bhubaneswar, Dist-Khurda do hereby solemnly affirm and state as follows:-

1. That, I have gone through this writ petition and understood the contents thereof. I am also otherwise acquainted with the facts of the present case and competent to swear this affidavit. I have been duly authorized by the Opposite Party No.1 to swear this affidavit on his behalf.
2. That, in reply to the averments made under para-2 of the writ petition it is

Sushil Kumar Kar

submitted that the allegation of the petitioner that, National Leprosy Eradication Programme (NLEP) has almost failed as the number of leprosy cases has increased is totally false and not based on facts. Due to effective implementation of different special activities it has resulted in detection of more number of hidden cases of Leprosy which appears to have increased the number of Cases which actually were not being detected earlier. Such detection has helped in treating the otherwise hidden cases successfully. Moreover, National Leprosy Eradication Programme (NLEP) is integrated with the General Health Care System since 2003-04. After integration, National Leprosy Eradication Programme (NLEP) is running effectively and activities are being carried out by general health care staff like MPHWs, Pharmacists, AYUSH M.O.s and MOs. Capacity building of M.O.s, AYUSH M.O.s, and General health care staff on leprosy is done at State Head Quarters as an ongoing process to strengthen Leprosy expertise to run the programme successfully (Annexure-1 Series). Moreover, special activities like Intensive Case Detection Drives (ICDD) & Block Leprosy Control Campaigns (BLCC), Leprosy Case Detection Campaign (LCDC) are being carried out every year to detect hidden cases from within the community. Necessary services are being provided for proper care, protection to the people affected with leprosy through National Leprosy Eradication Programme (NLEP) regularly as detailed below :

- i) M.D.T. (Multi Drug Therapy) is provided free of cost to all leprosy patients at all Govt. health facilities of the State.
- ii) DPMR (Disability Prevention and Medical Rehabilitation) services are provided to all leprosy affected persons with disabilities in all Govt. health Institutions up to block level which includes ulcer dressing, self care

Seshil Kumar Kar

practices, Reaction & Complication Management, distribution of MCR (Micro Cellular Rubber) footwear and Ulcer dressing kits etc.

- iii) Sensitizing the Community and general public for stigma reduction through different IEC Programmes via News Papers, Electronic Media, Shamba Rath movement, Rally etc. IPC (Inter Personal Communication) is done by the ASHAs and Health workers during Block Leprosy Control Campaign (BLCC) and counselling is also done by the Medical Officers (M.O.s) to generate awareness and teach self care practices to the Persons affected by leprosy, which is meticulously followed to reduce / prevent disability, Stigma and discrimination.
- iv) Since 2008 to March 2019, 5982 persons with disability due to leprosy have undergone reconstructive surgery enabling them to manage their livelihood and live in the families and re-integrated in the mainstream of Society.
- v) The Leprosy affected persons have also been included to get the Pension under Madhubabu Pension Yojana.
- vi) Provision of basic health care, electricity, water supply, safety latrine, sanitary facilities has been made available to the inhabitants of the leprosy colonies in different districts of the State.
- vii) All the actual facts are reported and there is no question of tarnishing and misleading reports.

3. That, in reply to the averments made in Para 4.3 to 4.7 & Para 6, it is humbly submitted that a meeting on National Leprosy Eradication Programme (NLEP) was held on 07.01.2014 under the chairmanship of Hon'ble Minister, Health & Family Welfare. In the meeting, it was decided that out of 404 sanctioned PMWs posts, 321

Sushil Kumar Kar

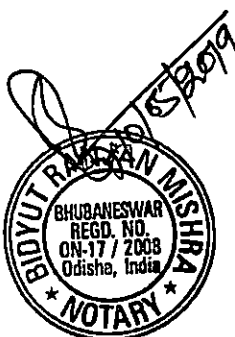

posts of PMWs are lying vacant and the file was moved to Government for filling up the vacant posts. Since the proposal had been previously regretted by the Finance Department, in the said meeting, it was decided to resubmit the proposal to Finance Department for consideration.

Subsequently, a meeting was held on 03.04.2014 under the chairmanship of ACS, Finance (Annexure-2), wherein it was decided that no new recruitment will be made in current year (2014-15), as all 603 Multi Purpose Worker (Male) i.e. MPW(M) working under NVBDCP, out of world bank supported project will be adjusted as contractual Multi Purpose Health Worker (Male) i.e. MPHW(M) under State budget, against 326 vacant posts of MPHW(M) under Leprosy Programme. Accordingly, it was decided that the post of MPW(M) under Leprosy will not be filled up and will be converted to MPHW(M). It was also decided that these MPHW(M) will be placed at sub centres to look after all programmes including Leprosy and Malaria. As per the above decisions taken in the meeting held on 03.04.2014, Finance Department was moved for vetting of the draft resolution. The Finance Department did not approve the proposal as it is contrary to the stipulations made under Rule 4 (a) of Odisha Group C & Group D posts (Contractual Appointment Rules, 2013) issued by General Administration Department vide their notification No.32010, dtd.12.11.2013 as the scheme of regularization shall not apply to the contractual appointments made under temporary plan schemes.

4. That, after vertical integration of NLEP programme with general health care system, the post of PMW (Leprosy) will not be filled up. The MPHW and the other paramedics are now supposed to handle the work of PMW (Leprosy). Now the Leprosy cases are being detected and referred by ASHA worker and MPHW and village level and cases are confirmed and diagnosed and treated at CHC and PHC

Sashil Kumar Kan

level by trained Medical Officers. The ASHAs are also getting some incentives for each case they refer and monitor for treatment. Hence, there is little role of PMW Leprosy in the present scenario.

5. That, in reply to the averments made in Para 8, it is humbly submitted that,

A. NLEP is implemented in our State according to PIP (Programme Implementation Plan) every year, and there is no involvement of bureaucracy in the PIP. The programme has also been running successfully every year.

B. NLEP is implemented through the General Health Care System through MPHWS(M&F), MPHS(M&F) at the village level through ASHA (Accredited Social Health Activist) who have been specifically trained to identify suspected cases and bring them to the Medical Officers of the nearest Health Institutions for diagnosis, confirmation of the case and provide free treatment as per the needs of each case. This activity is undertaken both as a routine activity and in campaign mode as mentioned in Para 2. The allegation that the number of deformity against the leprosy affected persons are increasing is not true because of the following facts.

- i. Leprosy, an iceberg disease, is an infectious disease caused by one micro-organism which spreads mainly through nasal secretions and inhalation of the infected droplets. It has a very long incubation period (the interval of time from the entry of the micro organism in to the body till the appearance of the symptoms and signs of the disease) which varies from 5 to 10 Years and which may extend up to 30 years. Therefore all the steps are being taken to detect the cases in the community for

Keenan Kar
Seeshi

which active surveillance activities are being under taken in the community since 2010-11 and continuing till date as mentioned in para 2 above. This has resulted in increased detection of cases which was previously lying undetected. Therefore, there is an increase in detection of already existing cases.

- ii. For the successful implementation of the programme, ASHAs, along with MPHWS (M&F) in the community are trained and engaged to create awareness about Leprosy among the people and to conduct house to house visit to visually examine all the family members in their area to find out and enumerate all suspected cases and bring them to the Medical Officers of the nearest health institutions for confirmation and treatment. During such activity any case found to have Grade-II or more degrees of deformity are enlisted and subsequently provided treatment in the DPMR (Disability Prevention and Medical Rehabilitation) Clinic. So the allegation of petitioner is not true and adequate care has been taken for successful implementation of NLEP Programme alongwith providing proper care to Leprosy Patients and Prevention of deformities. Early detection and full treatment is the main course of action for prevention of the disease, consequent deformity which is being taken care of under NLEP.
- iii. There is no restriction for the appointment of the Leprosy affected family and their children in different posts if they are eligible and selected otherwise with due procedure. The allegation made by the petitioner that they were treated as

Ker

Ker

Ker

untouchables by the Society is not true as Information Communication & Education (IEC) activities and awareness activities are being undertaken through leaflets, Brochures, Street plays and in Print & Electronic Media that the leprosy is curable and deformity can be prevented by early detection and complete treatment which is provided free of cost in all the Government health Institutions.

6. That in view of the above submissions made by this deponent, the writ application filed by the petitioner deserves no merit for consideration and the same is liable to be dismissed.

7. That the facts stated above are true to best of my knowledge and based on official records.

Sub: Three Days Training of MPHWs (M) on Leprosy

Madam/Sir,

I am to inform you that, three days training programme on leprosy for MPHWs (M), who will be given responsibility of NLEP activities at CHC level will be held at Hotel Sun Green, Opposite Durga Puja Mandap, Panjabi Colony, Satyanagar, Bhubaneswar-7, Phone-No 0674-2572926 at 10.00 am as per programme given below.

Accommodation has been arranged at Hotel Sun Green. Bhubaneswar. Working lunch, Tea and TA/DA will be borne out of NLEP funds at State level. TA will be paid as per OSH & FW norms on submission of valid train / Bus ticket. Non- submission of ticket will be reimbursed as per govt norms.

You are requested to depute MPHWs (one per block) working at CHC level (list enclosed), who will deliver leprosy services in addition to his present work.

The DLO may be instructed to identify the suitable MPHWs who can discharge the duties smoothly

From
Dr. K. C. Dash
Director of Health Services, Odisha

To
The Chief District Medical Officers
Angul, Balasore, Bargarh, Bhadrak, Bolangir, Cuttack, Deogarh, Dhenkanal, Jajpur, Jharsuguda,
Kalahandi, Kandhamal, Mayurbhanj, Nayagarh, Rayagada, Sambalpur, Sundergarh, Khordha

Sub: 3 days State level training of MPHWS on NLEP

Madam/Sir,

I am to inform you that, three days training programme on leprosy for MPHWS (M), who will be given responsibility of NLEP activities at CHC level will be held at Hotel Bari International, B/6, N-4, Opposite Indradhanu market, IRC Village, Bhubaneswar-15, Phone-No 0674-2555666 at 10.00 on 6-8 March 2017 in two batches at 10.00 am.

Accommodation has been arranged at Hotel Bari International, Bhubaneswar. Working lunch, Tea and TA/DA will be borne out of NLEP funds at State level. TA will be paid as per OSH & FW norms on submission of valid train / Bus ticket. If participants will travel by own car will be paid bus fare as per govt. approved express bus rate per km.

You are requested to depute MPHWS, as per list enclosed.

Yours faithfully,

Annexure-2

Minutes of the meeting to assess the shortfall of funds to meet the salary requirement ^{of remuneration} for the newly created 10301 posts of paramedics under H&FW Department, NHM, ODISHA

A meeting was held on 03.04.2014 at 3.30 PM in Finance Department Conference Hall under the Chairmanship of Additional Chief Secretary, Finance in presence of Principal Secretary, H & FW Department, MD, NHM and other officials from Finance and Health & Family Welfare Department. The meeting was held to review the actual shortfall of funds under NHM to meet salary requirement for the newly created 10301 posts of paramedics during the year 2013-14 and also to review regarding availability of funds under NHM in subsequent years i.e. 2014-15 and onwards.

After detailed discussion, following decisions were taken.

1. All 10301 paramedic post created in 2013-14 will be considered as contractual sanctioned post under NHM. These posts will be filled up by the year 2016-17 as per approval in NHM PIP of respective years.
2. Staff Nurse : All posts of Staff nurse created will be supported by NHM in phased manner as per PIP approval. However, the remuneration of 597 staff nurses engaged during the year 2013-14 will be paid by NHM as funds for 730 staff nurses has already been allocated by GOI in supplementary NHM PIP 2013-14.
3. MPHM (F)/ANM : It was decided that for the year 2013-14, Finance Department, Govt. of Odisha will provide grant-in-aid to OSH&FWS towards payment of remuneration to 1111 additional ANMs (who have already been engaged out of total sanctioned contractual post of 5164 MPHWF) as there is no fund available with NHM for the current year. Moreover, for the year 2014-15, proposal will be placed in PIP to sanction at least 1111 ANMs who have already been engaged in 2013-14. However, proposal will also be placed before GOI in NHM PIP for sanction of 5164 MPHWF/ANMs required as per IPHS norm and time to care approach, in phased manner by 2016-17. Based on approval of GOI, required number of ANMs will be engaged in such years.
4. Laboratory Technician: It was decided that, Finance Department, Govt. of Odisha will provide grants-in-aid to OSH&FWS towards payment of remuneration to 105 LTs for the year 2013-14 which is already filled up out of 270 sanctioned contractual posts for the year 2013-14 and remaining 165 posts may be filled up during the year 2014-15. Accordingly grant-in-aid will be provided to OSH&FWS.

Attested

Joint Director of

43 84 -

43

5. Radiographer: It was decided that, Finance Department, Govt. of Odisha will provide grant-in-aid to OSH&FWS for payment of remuneration to 48 Radiographers who have already been engaged out of 99 sanctioned posts during the year 2013-14 and remaining 51 post may be filled up during the year 2014-15. Accordingly, grant-in-aid will be provided to OSH&FWS.
6. MPHW(M) : With regard to MPHW(M) the entire cost of 991 newly created contractual post will be met out of State budget. For the year 2013-14, Finance Department, Govt. of Odisha will provide grant-in-aid to OSH&FWS for payment of remuneration to 255 MPHW(M), who have already engaged out of 991 sanctioned post. Further, it was decided that, no new recruitment will be made in current year i.e. 2014-15, as all 603 MPW(M) working under NVBDCP, out of World Bank supported project will be adjusted as contractual MPHW(M) under State budget against 326 vacant post of MPHW(M) under Leprosy. Accordingly, the post of MPW(M) under Leprosy will not be filled up henceforth and will be converted to MPHW(M). However, the remuneration of rest 277 MPHW (M) of NVBDCP (603-326=277) will be met out of State budget. Accordingly, Finance Department, Govt. of Odisha will provide grant-in-aid to OSH&FWS towards payments of remuneration to all MPHW(M). For better convergence of all National Health Programmes, these MPHW(M) will be placed at Sub Centres to look after all programmes including Leprosy and Malaria.

The meeting ended with vote of thanks to the chair and participants.

(P.K. Mohapatra)
Principal Secretary to Govt.
Health & Family Welfare Department
Government of Odisha
